PSA AMEYA MUNDRA

LOCATIONS

PSA Ameya operates container freight stations (CFS) for all types of EXIM cargoes. Located strategically at the two largest gateway ports of India – Jawaharlal Nehru Port and Mundra Port – PSA Ameya handles cargoes from key cargo centres in Maharashtra and Gujarat, providing a variety of services like cargo stuffing / destuffing, warehousing, customs clearance and transportation.

The CFS in Mundra is managed by PSA Ameya Mundra. Together with the seaports, PSA Ameya and PSA India provide integrated cargo solutions to cargo owners.

The PSA Ameya Temperature-Controlled Warehouse (TCW), located 12.5 km from Jawaharlal Nehru Port Authority, features specialised chambers with temperatures ranging from 2°C to 25°C. It is GDP and ISO compliant and offers 100 reefer points, genset-equipped transit, electric forklifts, and 24/7 CCTV surveillance. Advanced fire systems, backup power, and expert technicians ensure seamless, reliable operations. ■
