PSA ZEEBRUGGE

TRANSPORTATION NETWORK

The coastal port of Zeebrugge is well located to serve the local and overseas markets. Thanks to the wide variety of connections, it serves as a hub for many industries.

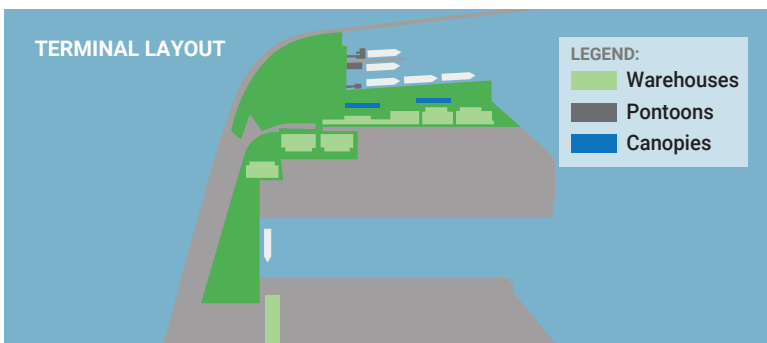

PSA Zeebrugge is one of the finest multi-purpose terminals in the area specialized in forest products. The ultra-modern terminal emphasizes speed and efficiency. It also includes a 100,000 square metre covered distripark. ■
