11 September 2020

PSA MUMBAI LAUNCHES FIRST EVER DIGITAL ONLINE PAYMENTS FOR DIRECT PORT DELIVERY CUSTOMERS WITH ODeX IN JAWAHARLAL NEHRU PORT

Committed to supporting the Digital India and Ease of Doing Business initiatives, PSA Mumbai has launched a digital online payments solution for Direct Port Delivery (DPD) customers with ODeX. PSA Mumbai's DPD customers will now be able to process their documentation and pay terminal handling charges on the ODeX platform from 15 September 2020.

A first for the Jawaharlal Nehru Port area, the online payments product is jointly developed by PSA Mumbai and ODeX. Termed "**CLICK → PAY ONLINE → TAKE DELIVERY OF DPD CONTAINERS**", the solution allows PSA Mumbai's growing number of DPD customers to take the documentation, payment and delivery process online via a one stop portal. The OdeX portal provides real time status updates, documentation uploading / amendment, e-payment and confirmation for delivery. With no requirement to maintain advance deposits, it also improves cash flow for the DPD customers.

One of the users in the pilot testing round, Director of Mungekar & Sons CHB Pvt. Ltd, Mr Prathamesh Mungekar said, "We are very happy with this new product, a first in the JNPT area and one which streamlines our operations. We are already looking forward to more developments."

Managing Director of PSA Mumbai, Mr Sivakumar K said, "A rapid and seamless flow of information between terminal and users is as important as the physical flow of containers through the terminal. This product gives our DPD customers a fast, efficient and secure payment and documentation system to take delivery of their goods as soon as possible. With ODeX's extensive user base, it is well positioned for widespread adoption."

Managing Director of ODeX, Mrs. Liji Nowal said, "It is a great milestone for ODeX to Go-Live with our ePayments solutions for PSA Mumbai's customers. Customers can now pay through a single click on ODeX – and the payment is confirmed in real time to PSA Mumbai. Thus any payments delay in cargo release is completely eliminated. During the current pandemic, PSA Mumbai has been very responsive to the needs of customers and I must congratulate the PSA team for ensuring that we have gone live very quickly with this solution, and becoming the very first terminal to offer seamless ePayment solutions on ODeX to customers. We are now "live" for DPD delivery payments – and soon hope to extend this facility to more customers."

- End -

About PSA Mumbai

PSA's Bharat Mumbai Container Terminals (PSA Mumbai) is located in Jawaharlal Nehru Port (JNP) in Maharashtra, India's largest and premier container gateway. The terminal is equipped with the latest technology to offer customers fast turnaround of their vessels and is also well-connected by major highways and rail networks to key markets in Maharashtra, Gujarat, and the National Capital Region of India. It serves the important industrial and manufacturing centres and cities in Northwest India, as well as India's largest hinterland with a population in excess of 400 million. PSA Mumbai's Phase 1 development has a quay length of 1000 metres and the deepest berths at JNP, capable of handling super post-panamax vessels. When fully completed, the terminal will have a berth length of 2,000 metres.

About PSA International

PSA is a leading global port group and a trusted partner to cargo stakeholders around the world. With flagship operations in Singapore and Antwerp, PSA's portfolio comprises a network of over 50 coastal, rail and inland terminals in 19 countries. Drawing on the deep expertise and experience from a diverse global team, PSA actively collaborates with its customers and partners to deliver world-class port services alongside, develop innovative cargo solutions and co-create an Internet of Logistics. As the partner of choice in the global supply chain, PSA is "The World's Port of Call". Visit us at www.globalpsa.com.

****Note to Editors: PSA dropped the name of "Port of Singapore Authority" in 1997 when it became a corporatised entity. The company should be referred to as "PSA International Pte Ltd" or "PSA".***

About ODeX

ODeX is India's largest neutral technology platform – connecting various stakeholders in the Ocean Shipping eco-system. ODeX brought about the digital transformation in this industry enabling seamless flow of documentation and payments amongst the various entities involved in EXIM Trade. ODeX has many firsts to their credit - including launch eGate Pass (Form 13, Form 6), eInvoice, eDelivery Order, eShipping Bill. ODeX is now leading the implementation of technology solution for Sea Cargo Manifest & Trans-shipment Regulations (SCMT) – building a platform where data can be seamlessly shared between BCO, Forwarders, Shipping Lines & finally customs – thus ensuring error free, effortless manifest filings.

ODeX is operational in India, UAE, Bahrain, Qatar, Kuwait and Ghana.
